

Sponsor Harrison City ROCKS! 2009

August 15th 2009 marks the second annual "Harrison City ROCKS!" festival to be held in Harrison City, PA. Last year's event brought over 700 visitors from the surrounding areas to see some great local bands and to benefit the Matthew P. Fischerkeller Memorial Fund for heart research.

The Fischerkeller Fund has teamed up with Children's Hospital to support research to determine what causes congenital heart disease and how to treat children once a diagnosis is made.

This year's goal is to double the size of the event with even more musical talent, great food, and fun activities for all ages. Gates to the festival will open at 11:00am and run until 9:00pm with nine bands taking part in the benefit. Many of the bands include musicians from the area that knew and grew up with Matt Fischerkeller and are excited to be part of the show.

This is an all-volunteer benefit, and we can only make it a reality with your help. What can you do? If you're a business, be a local sponsor. Build regional awareness of your business by committing to a Silver, Gold or Platinum sponsorship package. Simply select your sponsorship package on the next flap, then send this application to either the email address or standard mail address located on the next flap.

Thank you for your support!
